

CARL HANKS '67
CONSTRUCTION MANAGER

Carl was born in Oakland, California. His family moved to Dallas, Texas in the summer of 1954.

A 1967 graduate of Hamilton Park High School, he participated in Football, Track & Field, and was a Science Fair winner and received honors in Mechanical and Architectural Drawing.

Carl is a 1971 graduate of Prairie View A & M University with a Bachelor Of Science Degree in Industrial Technology (Design & Construction). While at Prairie View, he was selected to the Student Advisory Committee and received Honors in drafting & Design.

His professional career presented him with numerous challenging opportunities and experiences. Having been employed by four (4) outstanding organizations, along with working as a Consultant for forty (40) years; Philco-Ford Corporation (NASSA), The H. K. Ferguson Company, Dow Chemical Company and The Tetra Group. The first fifteen (15) years of his career, he was an Electrical Engineering Designer; designing electrical systems for chemical and industrial plants.

The last twenty-five (25) years of his career, Carl was a Construction Manager; managing the construction of commercial buildings and schools in seven (7) states, ranging in size from \$1Million to \$110 Million.

Carl is the father of five (5) children; two (2) sons, Aaron and Anthony, three (3) daughters, April, Angela and Ava.

Presently retired, Carl and his wife, Carolyn, live in Murphy, Texas. His hobbies are travelling, coin-collecting, photography and Track & Field.
